Stabenow for Senate Campaign Releases 3rd Quarter Report

Lansing – Today the Stabenow for Senate Campaign released their 3rd quarter FEC totals covering the period from July 20 to September 30. The Stabenow campaign reported over \$1.1 million dollars in total receipts from this period over \$1.2 million cash on hand heading into the last month of the campaign. This cash on hand figure does not include the \$2.5 million in television advertising that Stabenow for Senate has pre-bought for the last three weeks of the campaign.

“We’re confident that we have the resources we need to get our message out to voters, but we’re not taking anything for granted” said Brent Colburn, Stabenow for Senate spokesperson. “There is a clear choice in this election between someone who would support the failed and tired policies of the Bush administration and a Senator who has gotten concrete results for Michigan.”
