## **Stabenow Endorsed by Detroit Regional Chamber of Commerce**

**Detroit**– U.S. Senator Debbie Stabenow today announced her endorsement by the Detroit Regional Chamber of Commerce, the largest chamber of commerce in the United States with more than 23,000 members. The endorsement was based on Stabenow’s experience and qualifications, proven track record of accomplishment, and history of support for pro-business policy.

“We are in a fight for our way of life in Michigan, and I am honored to have the support of the Detroit Regional Chamber,” said Stabenow. “This election is about making sure we have good paying jobs, affordable health care, pensions that can’t be taken away and quality education and innovation in every corner of our state. Getting the results Michigan businesses need to compete in a global marketplace and standing up to the failed economic policies of this Administration have been my top priorities in the U.S. Senate, and I’m happy the Chamber has recognized my commitment.”

“The Detroit Regional Chamber PAC supports Senator Debbie Stabenow based on her commitment to key DRC issues specific to our region,” said Richard Blouse Jr., CCE. “Issues related to border crossing, health care and support for public transit are at the top of our federal public policy agenda, and Senator Stabenow has worked hard on our behalf.”

Stabenow is the only statewide candidate to win the endorsement of the Chamber this election cycle.
